In the end, I couldn't convince my attorney and had to abandon the idea of including the strip lots in the BID at the time of renewal as opposed to later as an amendment. Crud. So, we'll do it later.

Thanks for asking.

Good morning.

You said that you wanted to run something by me re: Sepulveda. I never heard back from you. What's going on?

FYI, we are filling the tree wells to prevent a tripping hazzard. "Just like the City used to do, right?" NOT! Our commercial area has never been as well maintained as it is today because of the Westchester Town Center BID.
